Detailed Action

The finality of the rejection is hereby withdrawn.

Claims 1-77 are currently pending.

Claims 1-4, 9, 13, 15, 16 and 43 are currently under rejection under 35 USC 112, first paragraph.

The undersigned Examiner will be willing to allow claims 1-4, 9, 13, 15, 16 and 43 if applicants were to carve out the non-elected claimed subject matter from the above cited claims.

Claims 5-8, 10, 14, 17-42 and 44-77 stand withdrawn from further consideration, 37 CFR 1.142 (b) as being drawn to non-elected inventions.

It appears that the non-elected subject matter may also be allowed, albeit it would have to be searched.

Applicants' arguments in the brief are convincing in overcoming the enablement rejection. Since applicants' did not petition the restriction requirement under 37 CFR 1.144 or 1.181, they have to comply with the two way restriction requirement.

The examiner invites applicants to either come in for a personal interview or contact the examiner by phone to resolve the remaining issues.
